School Context

IGB International School (IGBIS) is a vibrant Early Years to Grade 12 international school that provides a dynamic, innovative and inclusive learning environment where students are challenged to excel in both their learning and personal growth. An International Baccalaureate (IB) World School, IGBIS was the first school in Malaysia authorised for the full continuum of IB programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), and the Career-related Programme (CP). IGBIS is the only school in Malaysia accredited by the New England Association of Schools and Colleges (NEASC) and is also a member of the Association of International Malaysian Schools (AIMS), the East Asia Regional Council of Schools (EARCOS), the Council of International Schools (CIS) and Next Frontier Inclusion.

An IB education aims to develop inquiring, knowledgeable and caring young people who help create a better and more peaceful world through intercultural understanding and respect. This philosophy underpins the curriculum, co-curricular and after-school programmes at IGBIS with the aim to inspire students to become principled, global citizens. IGBIS is committed to providing high-quality international education for our students in an inclusive learning community where they participate in a challenging, caring and holistic educational experience.

Pro-Diversity Statement

As a school with inclusiveness as a Pillar, we are committed to diversity and therefore aim to hire staff as diverse as the students we serve. Our goal is to create an organizational culture that gives voice to the variety of global perspectives from within Malaysia and across the world. We work with a wide range of people who are experienced, qualified and mission-aligned, including people from traditionally underrepresented backgrounds.

Child Safeguarding Commitment

Safeguarding the welfare of children and young people is a priority and we expect all staff to share that commitment. All IGBIS teachers and staff undergo child safeguarding screening including checks with past employers, law enforcement authorities, and other governmental agencies as required.
