

Everton International Academy at IGB International School

**We know the community has been eagerly awaiting the official announcement of our international football program for the past year, and we are absolutely thrilled to finally share some exciting news with you!**

IGB International School (IGBIS) has achieved a groundbreaking milestone by becoming the **first and only international school in Malaysia** to partner with a prestigious **English Premier League** football club. That's right – we've teamed up with the legendary **Everton Football Club**, a club celebrated for its rich history and commitment to excellence. Get ready for an incredible journey ahead!

This partnership marks a significant achievement for our school and aligns perfectly with our vision of providing an unparalleled international education through the latest coaching practices used by Everton Football Club. [Click here to read the official announcement from Everton FC.](#)

We are confident that this partnership will greatly benefit players in the Selangor and Kuala Lumpur areas by providing them with top-tier sports education and development opportunities. We can't wait to watch players develop and achieve aspirations through this exciting collaboration with Everton Football Club!

Now, we invite you to sign up for the **Everton International Academy at IGB International School Fan Club** to gain priority access to upcoming announcements regarding classes and events related to this exciting partnership. By joining the Fan Club, you will receive the latest information and updates on all activities and opportunities available through our collaboration with Everton Football Club.
